GOLDEN KNIGHTS ARE OUT OF THIS WORLD

EVERYBODY KNOWS . . .

SCSH

Hey Central,

Everybody knows that we have pride in S.C., but everybody doesn't know how many enthusiastic students we actually have. Like those who are featured at the top of the page. We never give up at anything, no matter what. S.C. sticks together like a family, helps each other, and supports one another through the good times as well as the bad.

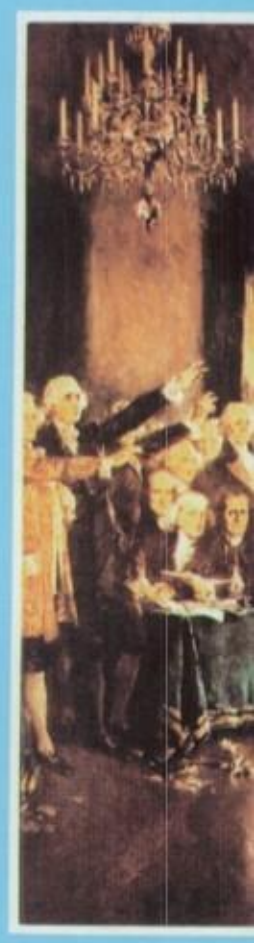
Everybody knows that in the celebration of the Bicentennial anniversary of the signing of the U.S. Constitution, S.C. held a birthday party. Mrs. Hewitt organized an assembly which gave the student body an opportunity to learn more about our constitution. Mr. Wagner introduced and welcomed the Honorable William B. Chandler, III., who addressed the student body about our constitutional rights that we have as Americam citizens. Our new band was a very important part of the assembly, they played an excellent rendition of "The Star Spangled Banner". The chorus also contributed to this great celebration by singing a glorious, "Happy Birthday U.S.A.". At the end of the celebration there was a presentation of a cake that was cut by Mr. W. Layton Johnson, the Mayor of Georgetown. The cake was served to the students during lunch.



Office of the Mayor

Georgetown, Delaware

Proclamation

WHEREAS, Our Founding Fathers, in order to secure the blessings of liberty for themselves and their posterity, did ordain and establish a Constitution for the United States of America, and

WHEREAS, It is of the greatest import that all citizens fully understand the provisions and principles contained in the Constitution in order to support it, preserve it and defend it against encroachment, and

WHEREAS, The Bicentennial of the signing of the Constitution provides a historic opportunity for all Americans to learn about and recall achievements of our Founders, and to reflect on the rights and privileges of citizenship as well as its attendant respoqnsibilities, and

WHEREAS, The independence guaranteed to the American people by the Constitution should be celebrated by appropriate ceremonies and activities during CONSTITUTION WEEK, September 17th through 23rd, as designated by proclamation of the President of the United States of America in accordance with Public Law 915,

NOW, THEREFORE, I, W. Layton Johnson by virtue of the authority vested in me as Mayor of the Town of Georgetown, in the State of Delaware do hereby proclaim the week of September 17th through 23rd as CONSTITUTION WEEK, in the Town of Georgetown and urge all our citizens to pay special attention during that week to our Federal Constitution and the advantage of American Citizenship.

In witness whereof I have hereunto set my hand and caused this seal to be affixed.

W. Layton Johnson
Mayor

[A Night In]

[Paradise]

Everybody knows that one of the highlights of every school year is the prom. The 1987 prom proved to be one of the finest. The band, The Look, performed extremely well and gave S.C. students nothing but excellent entertainment. To nobody's surprise, the Queen was Jamie Lesniczak and Princess was Julie Leong.

The prom was surely A NIGHT IN PARADISE that will stay in everybody's mind for a long time.

Remember When . . . . .

Rob Norris and "Buffy" at our sopomore float meeting.
Certain people putting for sale signs in front of the school.
We had the Oklahoma cast party.
PG-18 movies during mid-terms.
We had chemistry's famous boxing match.
"Have you seen them" came out.
Mr. Long's depend.
Alexa's crush on Ronald McDonald.
Robin Esham got her ears pierced.
Possibly getting in trouble.
Kelly West was a nice girl.

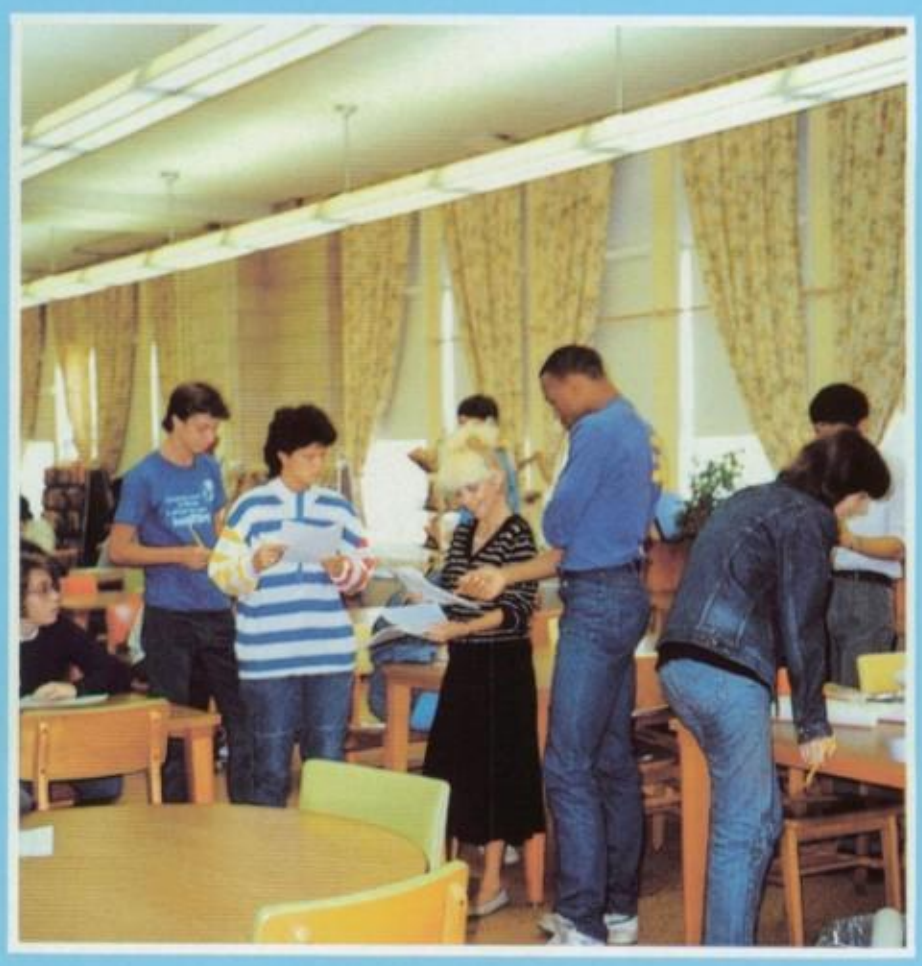
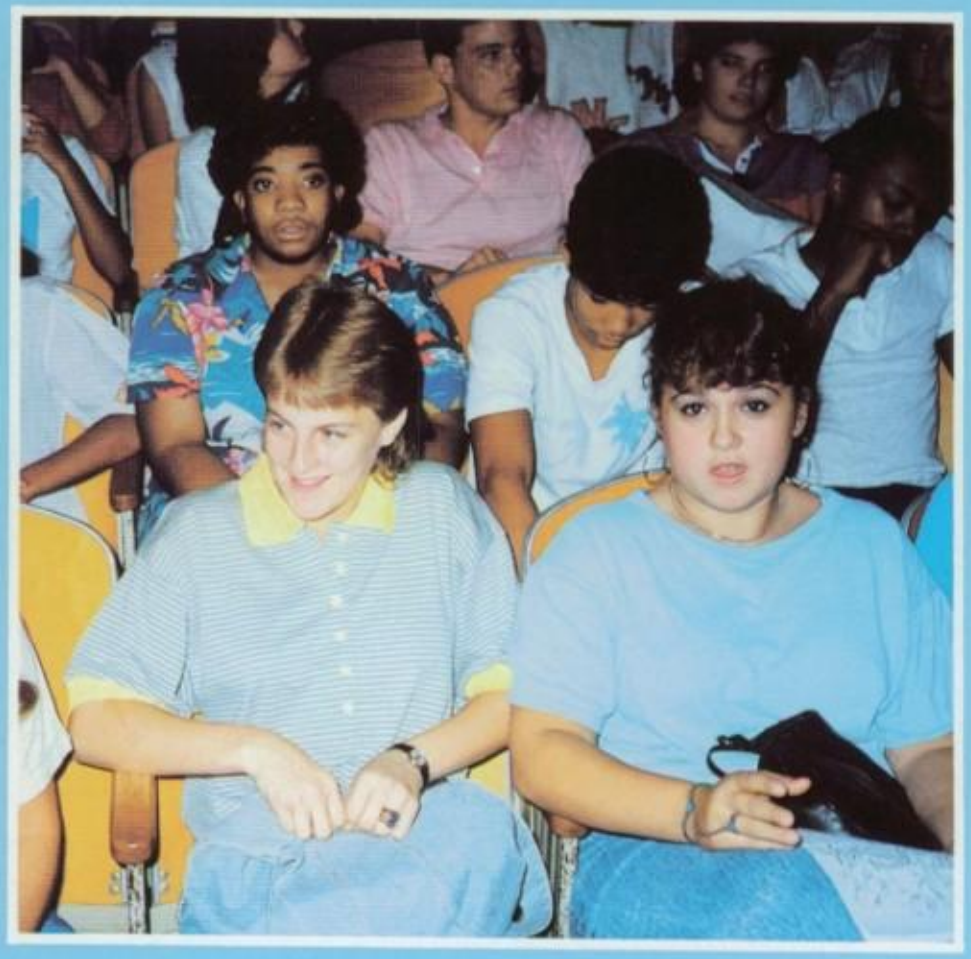
EXIT



SUSSEX CENTRAL SENIOR HIGH



Everybody knows that "Oklahoma" was one of the most exciting and suspenseful plays to be produced by S.C. students. They performed the play three times and every time they nearly had a full house. The actors seemed so real that it didn't seem like they were only acting. This acting couldn't have developed without all of the weeks and long hours that were put into the play. Without Miss Kaus' time and effort, "Oklahoma" would never had become a sucess.

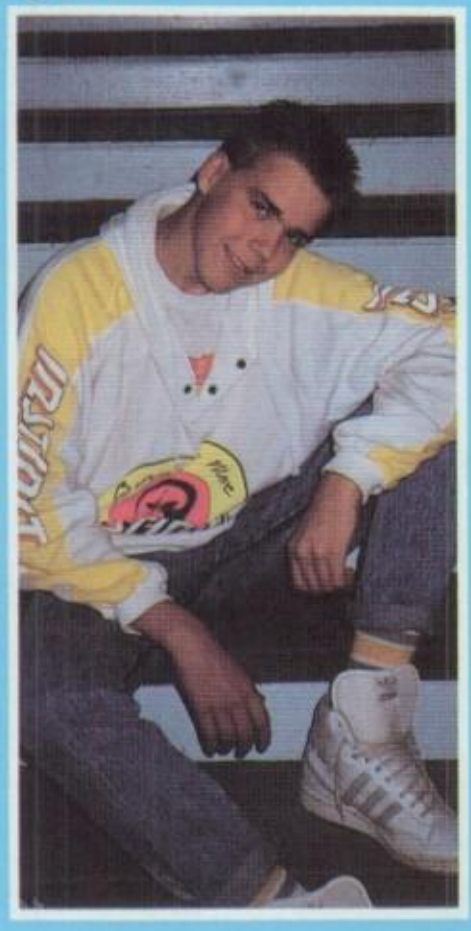
Cast of Oklahoma front to back:Lance Scott, Sean Todd, Rob Norris, Ed Edge, John Hartzell, Earllaine Simpler, Alexa Vance, Karen Lathbury, Kelly Sabo, Joanne Hosse, Jill Melson, Dia Quillen, Maia Sponseller, Stephanie Hitchens, Edylynn Enerio, Mike Tipton, Diane Rust, Jennifer Phillips, Alysia Bowersox, Pete Wright, Chris Miginnis, Matt Barlow, Richard Tagart, Eric McLauchlin, Amy Davidson, Theresa Todd, Kim Timmons, and Connie Faucett.

THE PLAY

Oklahoma

The stage crew of Oklahoma consisted of (front to back): Danny Davis, Brian DeLeon, Paul Turek, Becky Johnson, Miles Coverdale, Robert Ruffin, Grant Ratcliffe, Bill Bowman, Tommy Wooten, John Atkins, and Scott Workman.

Jonas Agnekill



Hi! My name is Jonas. Some of the things I like to do are, play soccer, football and party. I am presently staying with the Rogers and yes, I do miss home and my teddy bear. I think the schools are harder here than back home in my school Malarhofdssholan. I really like it here and the people are very friendly and helpful. Thank you,everybody,for making me feel at home.

Jonas Agenkil

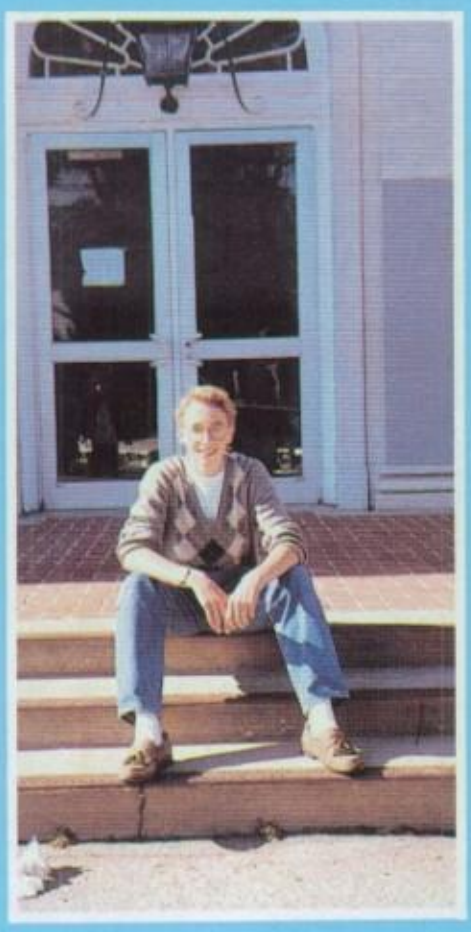
Morten Olsen



Hi! My name is Morten. I was also asked to decribe America in one word- BIGGER! The thing that I miss about home is the race and pace of the city because they don't have it here. I beleive that the classes here are much easier, because you get to pick your classes, and back home they give them to you. I really like it here. The people are so open and friendly. Everybody makes you feel at home.

Lorena Rosi

Hola! My name is Lorena. The yearbook staff asked me to describe America in one word; CRAZY! My house parents Mr. and Mrs. Tom McDougall and my sister Maria, are great. My favorite saying is Oh Boy! My favorite food here is french fries and chocolate. I'm glad I came but I still miss home very much.

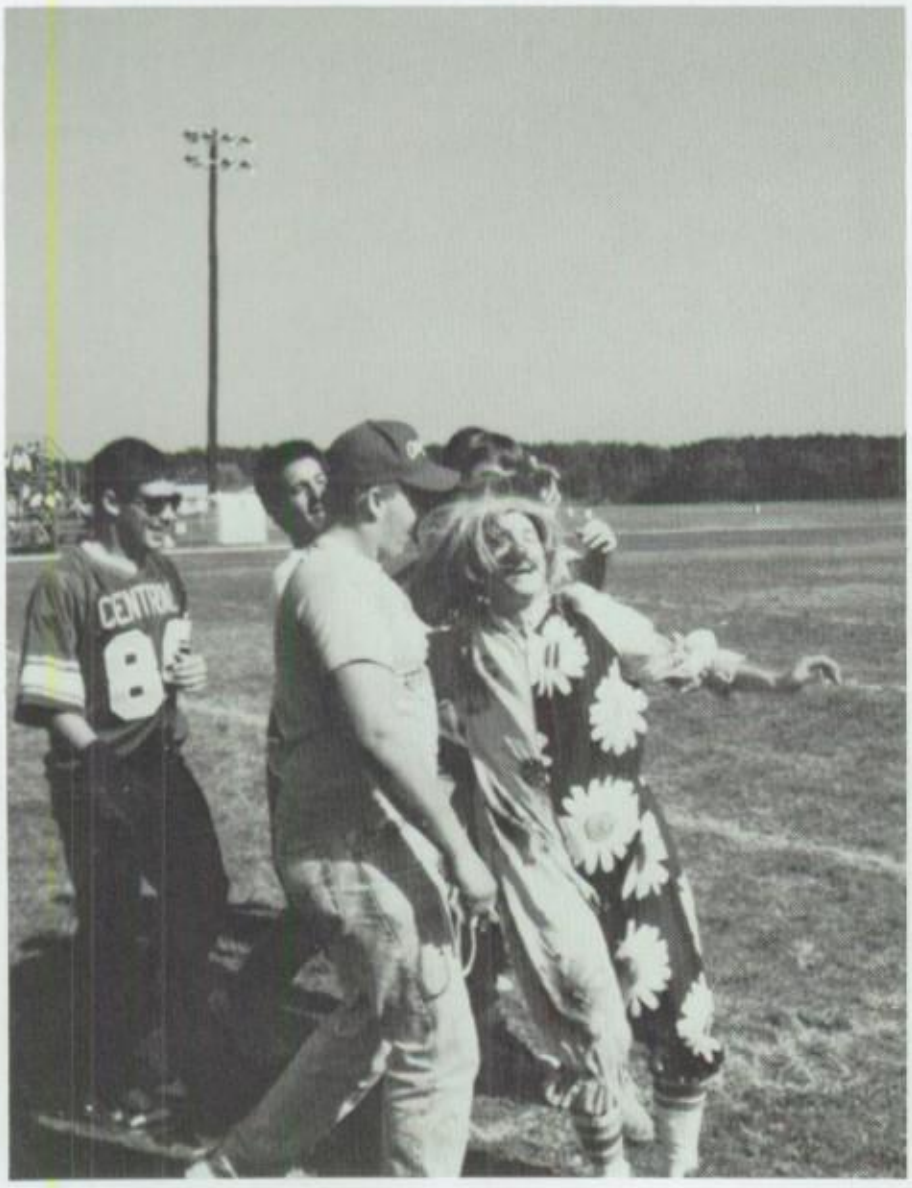
Homecoming

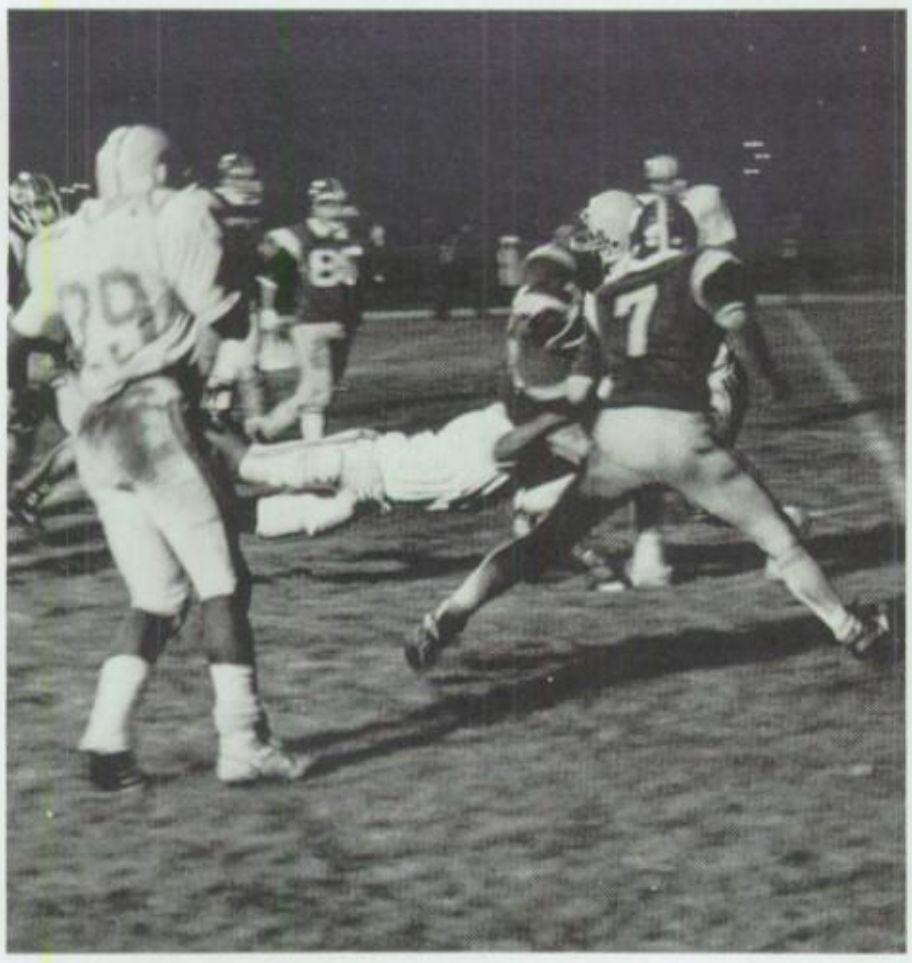


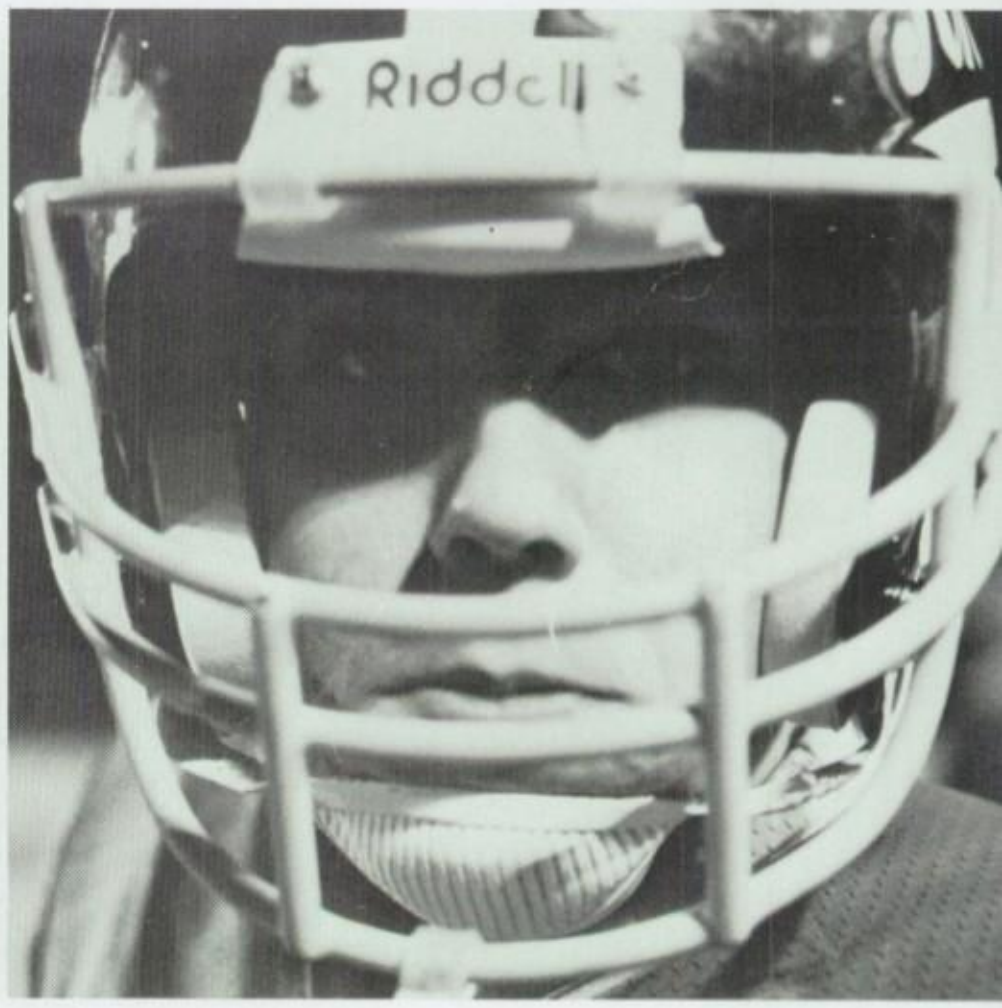
"87"

The week of Homecoming is a special time in our school and to prepare for the big game we have spirit week. We buy class chain lengths, have a bonfire and have a big pep rally before the game. This week shows how full of class spirit we are.It also shows how much fun school can really be. Everybody knows that spirit week is very special.

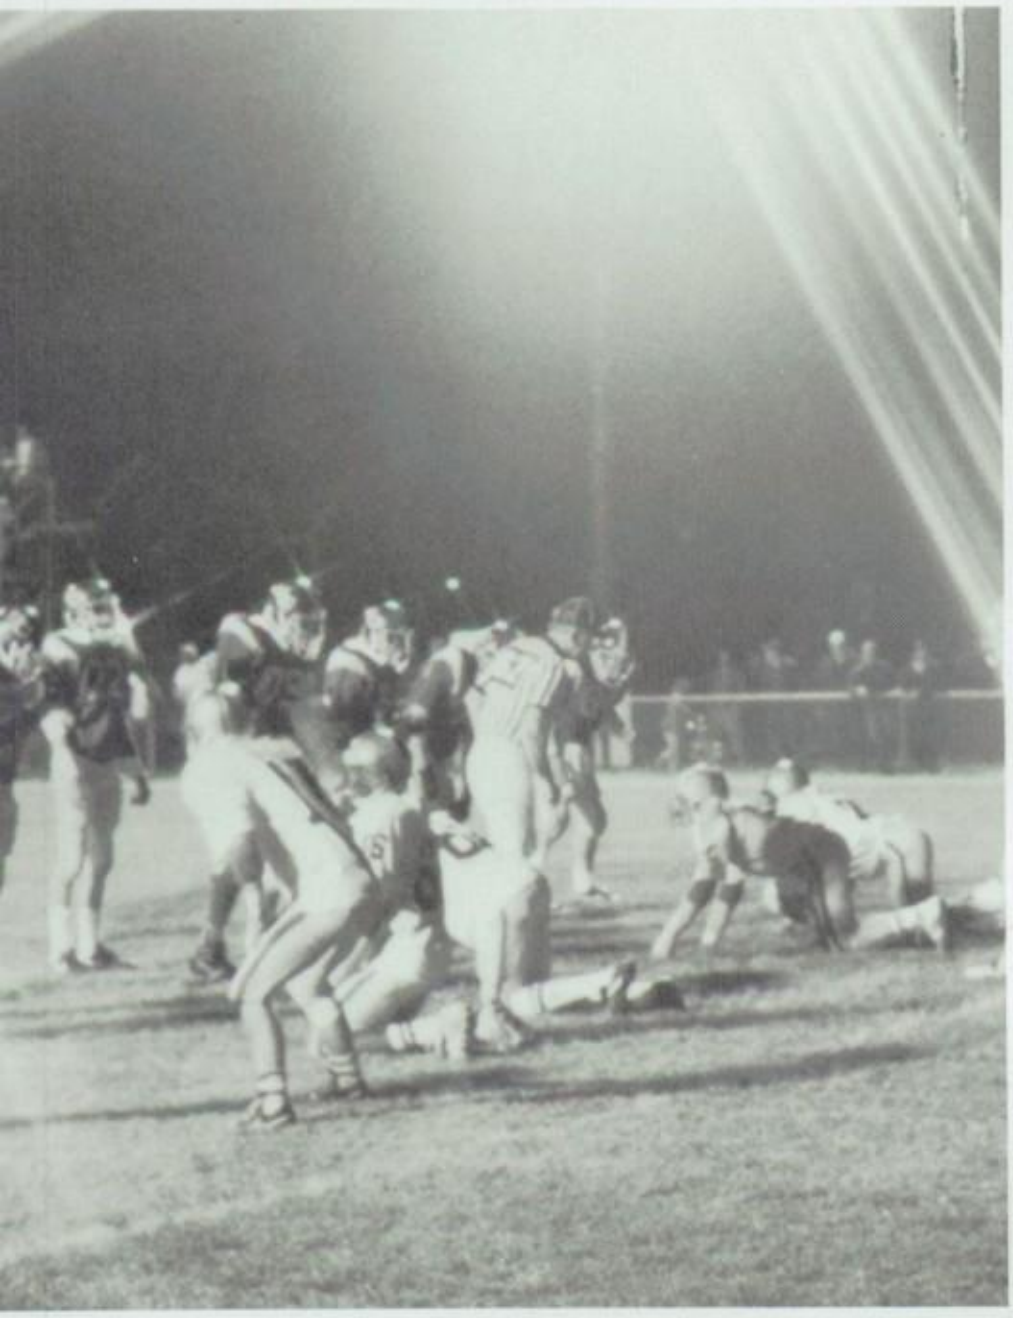
Homecomin

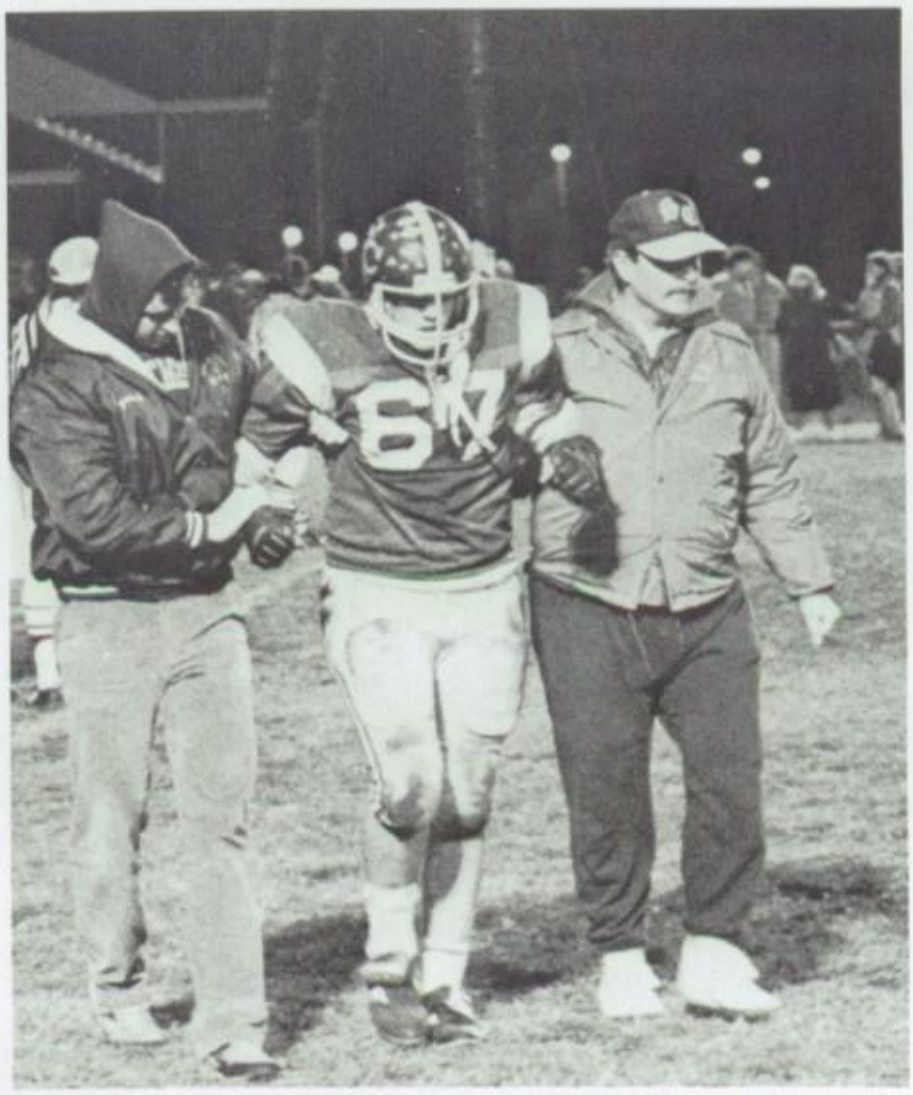
Friday finally came and our football team came onto the field ready to do battle with the Smyrna Eagles. The Knights showed the S.C. pride and fought a hard battle. In the end the Knights defeated the Eagles and showed that the hard work in practices paid off. S.C. fans were pleased with the turn out of the game and very proud of the Knights football team.

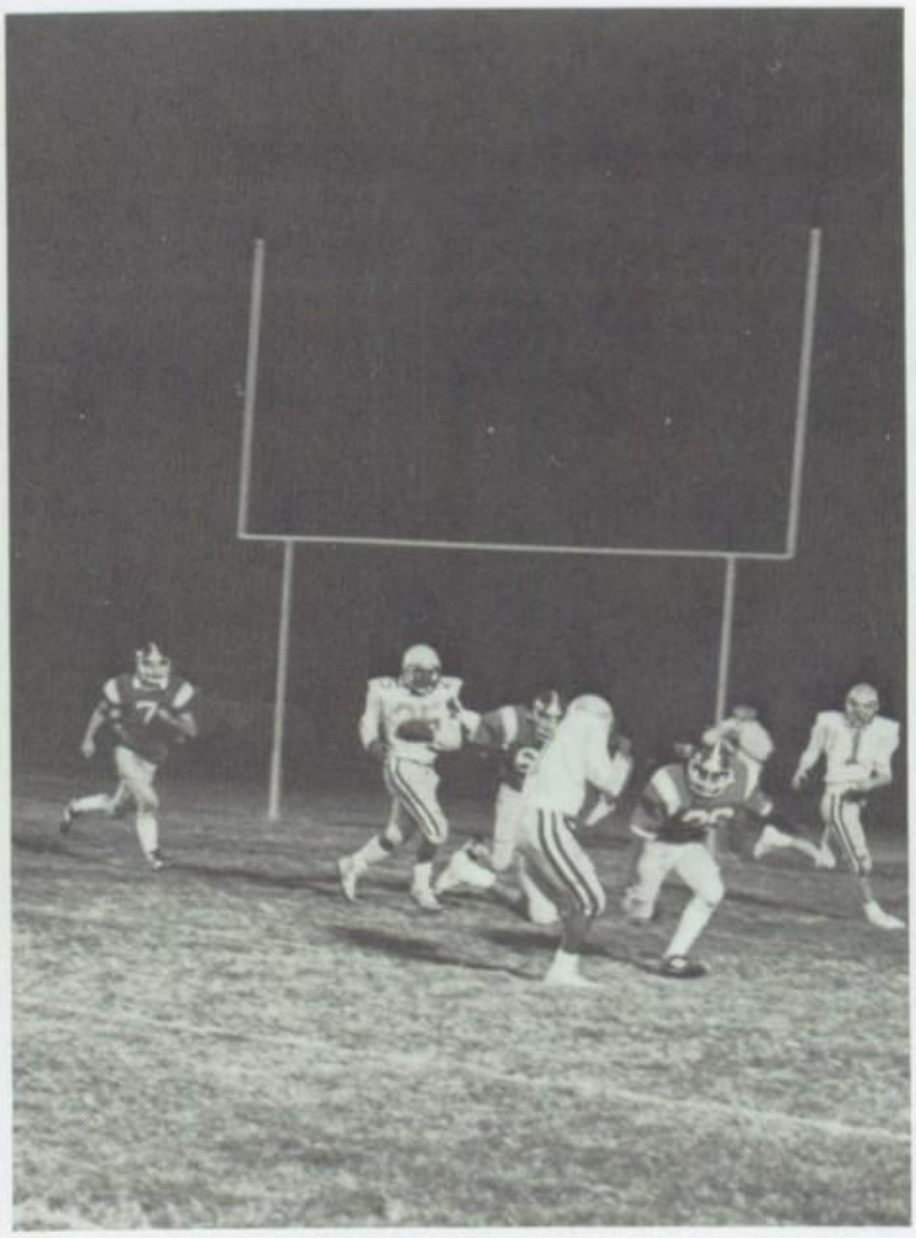




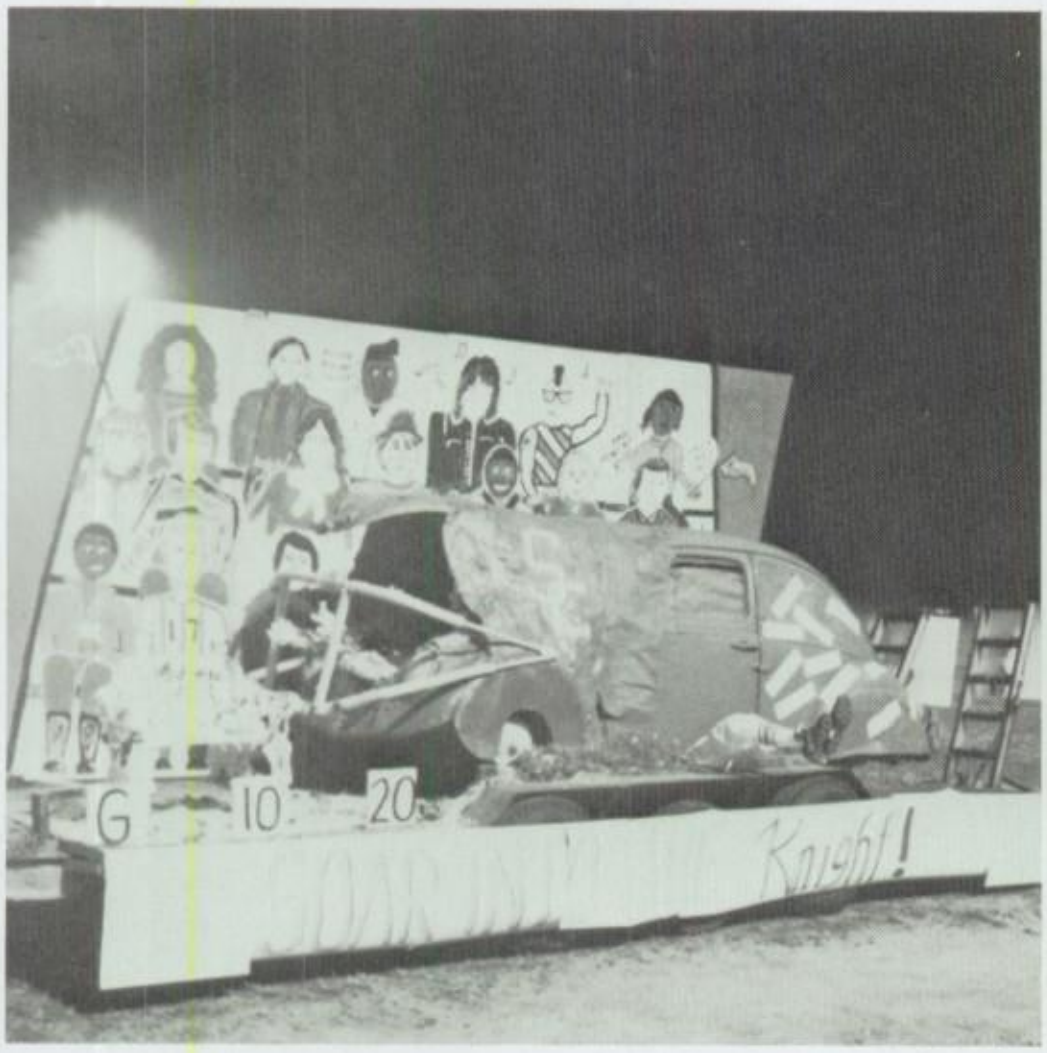
87”

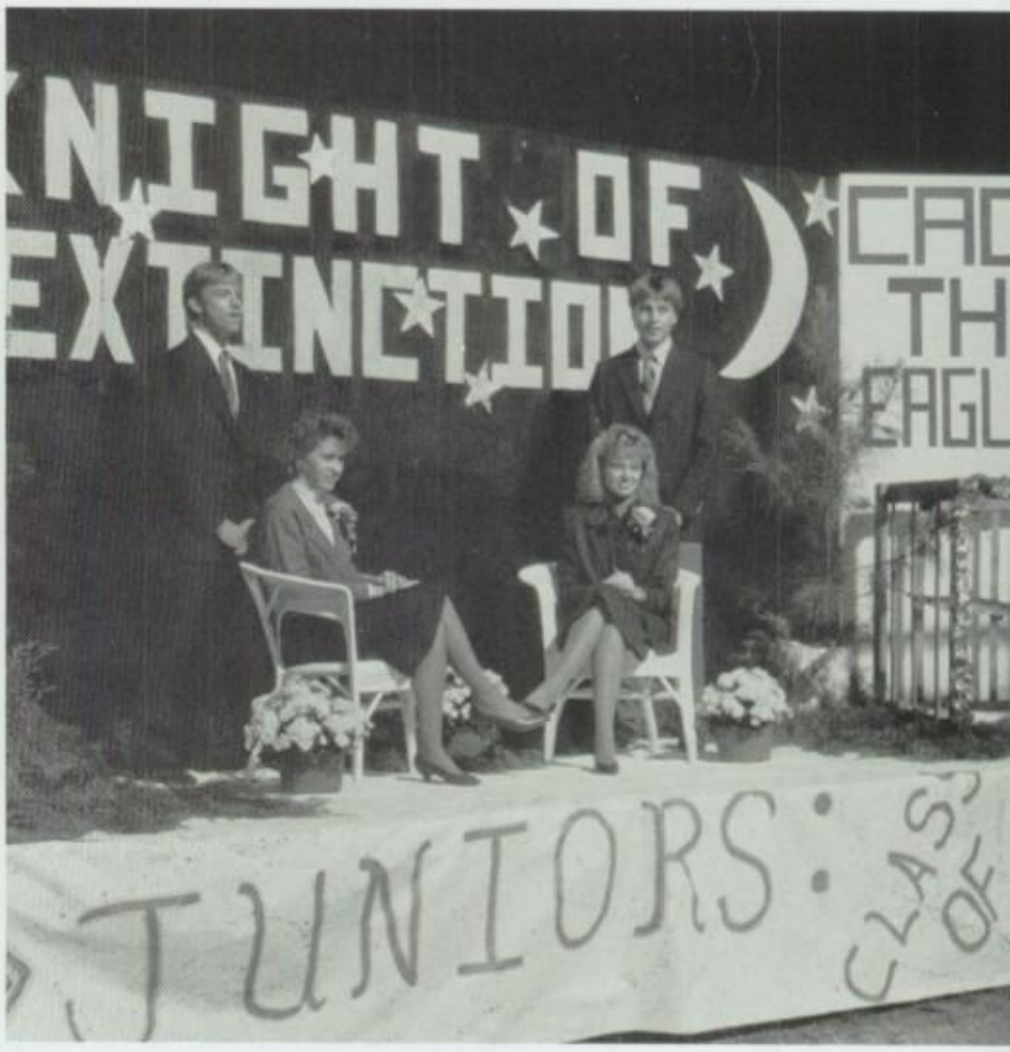




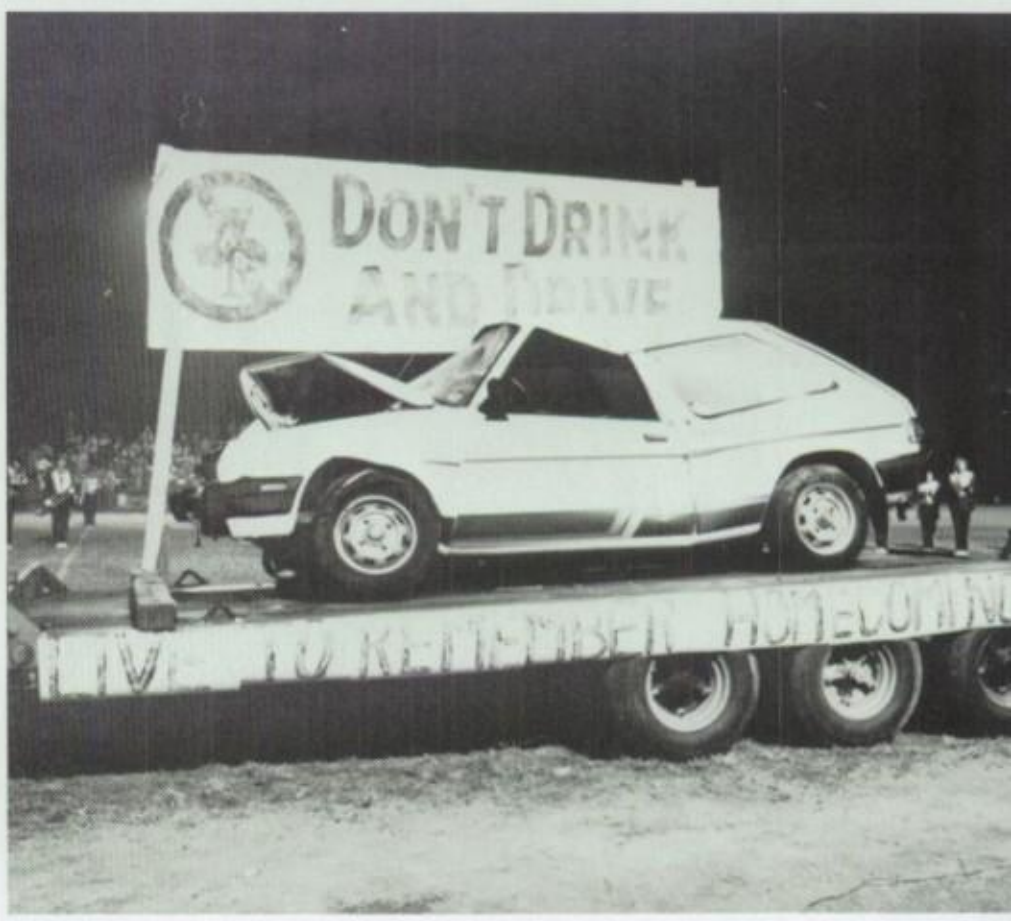


Homecomin





During half time, floats and the homecoming court came onto the field. For weeks all three classes worked hard on their floats. Even S.A.D.D. had a float for the game. The senior class won with "SOAR INTO THE KNIGHT." Everybody knows that half time activities during homecoming are a lot of fun.



The homecoming court consisted of nine girls and their escorts. Representing the sophomores were Kelly Welsh and Wendy Collins. Juniors were Tish Pusey and Amy Scott. Senior Cathy Baker was crowned Homecoming Queen and Julie Leong was named Princess. The other seniors were Nicole Semanco, Kelly Hitchens, and Jill Clark.

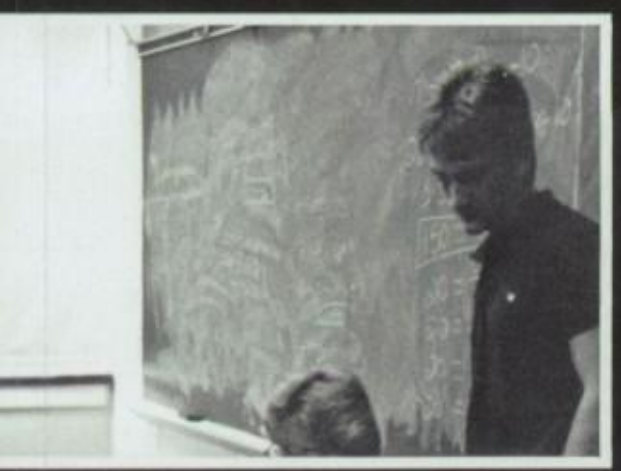
OCTOBER



ACME
PARKING

The last year of high school is by far the most memorable. We have long awaited the day of graduation. During the school year we had tests, books, and homework; but most of all we had fun. Most of us we will move on to college, and some will automatically go into the work field. Whatever you decide to do you will always think of the good times in high school. Good Luck to all of you, and be successful in all you do.

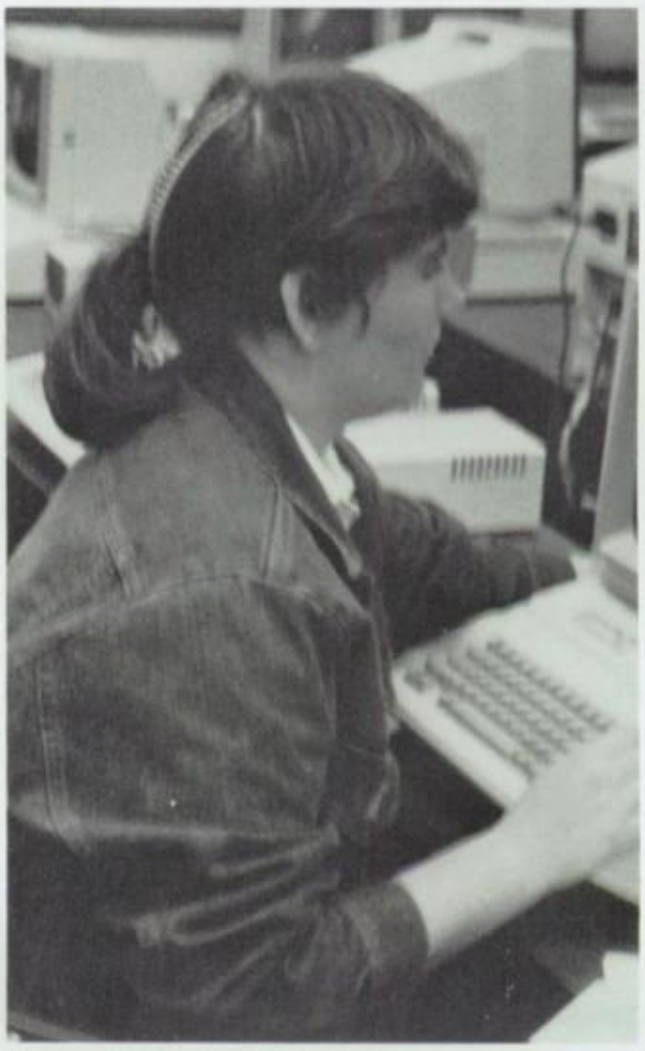
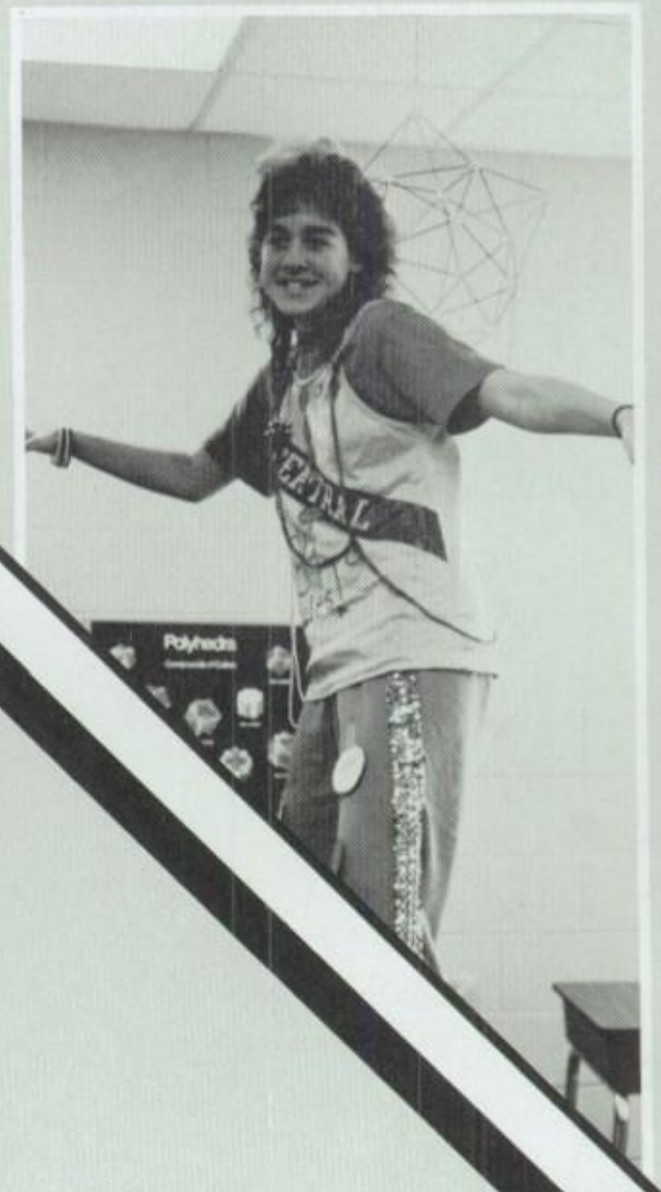
Sussex Centra

Everybody knows that S.C. students have many advantages, and one is the Sussex Vocational Techanical Center. It gives students the opportunity to develop skills that are essential for obtaining a good job. Vo-Tech teaches students basic knowledge of jobs which will help them after graduation. Vo-Tech gives S.C. students an opportunity to get ahead in the real world.

Vo-Tech





You have painfully endured exams, report cards, and homework. You have been given the S.A.T.S. and given armfuls of college brochures. Next year it will all be worth it, you will move into the title of "Seniors." Be patient and don't hurry your last-years in high school. After all, your high school years are your most enjoyable.

The new kids on the block; you were looked down on by the "Seniors" and "Juniors" and picked on by teachers. You recieved your licenses and studied hard to get on the honor roll. Hang in there, your turn will come soon enough; and next year you will be picking on the underclassmen.

Congratulations to the Class of 1988 for reaching one of life's milestones. Each of you is to be commended for your perseverance,integrity,and sacrifices made over the past several years for all of these efforts will enable you to walk with pride as you recieve your diploma on June 6,1988. I hope you will not take this accomplishment lightly. Countless hours have been spent teaching you ,as you have spent innumerable hours learning.Stand tall as you accept the challenges life will offer in the future knowing you have acquired the skills necessary to ensure sucess. It has been a pleasure having had you as students at Sussex Central. Best of luck in the years to come.

Congratulations should be given to Coach Long and the Soccer Team for finishing the season at 12-5-1. Their 12 wins were the most of any Sussex Central Soccer Team in history and got them a berth in the Delaware State Tournament. Even though they lost their first tournament game to a tough Salesianum team, Coach Long commented that everyone on the team was a winner and that there were no losers in the group. Good luck for next year.

Coach Shultie

roy Rogers has been involved in foot-all, cross country, and wrestling dur-ng his high school years. He has just inished the cross country season with n eleventh place finish in the Henlo-en Conference. Additionally, he has een awarded the "Unsung Hero" the Most Pins" and the "Most Valuable" restler trophies at the Booster Ban-uet. As for the value in wrestling, roy says that the sport gives him discipline and a goal to strive for."

The keen eye and judgement of Mr. Dean spotted a certain talent in Danny Pusey as he ran a sub-minute 400 meters in a phys. ed. class one day. Coach Dean invited Danny to try out for cross country and Danny has never regretted it. In his first season, Danny won Most Valuable Player and he attributes a lot of credit to Troy Rogers who helped him train and shared his experience.

Coming back next year, Danny worked real hard under new coach Phil Shultie. The summer layoff hurt but Danny trained hard under the rigors of coach Shultie and ran a 13:53 against Milford to set a new school record.Following this was three first place victories over Smyrna, Woodbridge and Seaford. In the Seaford meet Danny set a new course record of 13:28.

Next came the Conference Championship held at Killens Pond. A tough 3.1 mile course found Danny finishing fourth out of 56. This earned him a spot on the all Conference squad and a successful end to the season. Good Job!

The Sussex Central Boys' Basketball team had an outstanding season. The team ended the season with a 23-3 record. The starters consited of Doug Reed, Robert Tuffin, Johnnie Gibbs, Donald Polk and Timmy Slade. Sussex advanced to the state championship game, but fell short 40-46. Sussex ended their season by being ranked second in the state. The basketball team played extremely well and worked together as a team. Congratulations to Coach Peden and the Sussex Central Basketball team and good luck in the future.

Organizations give us a chance to further our learning process. During this year we have been on field trips, made the yearbook, and published the Jouster. The students and advisors of organizations show the pride we have in our school.

ORGANIZATIONS

Organizations and clubs get everbody involved and enhance our development.They give us opportunity to mix with other students and share ideas, thoughts and friendship. It makes school even better and gives us a sense of achievement.

Yearbook '87

The YEARBOOK STAFF is a diversified group of students who combine together a myriad of talents and personalities to produce a compilation of the school year in story, picture and style. Much time is spent in addition to the class period each day. The members have to split themselves in half on many occasions to cover all the assignments necessary to get the job done. The staff is a devoted and spirited group going way beyond the call of duty. They provide the creativity, energy and guts to make it work. Congratulations on a job well done!

Every student body needs a source that gives information about the happenings in the school. Whether it be sports, faculty, flops, special events, or gossip, something with easy access is needed that contains all of these essential topics. And Sussex Central's publication of this sort is The Jouster.

The Jouster provides a serious insight with humorous edges, making it enjoyable and informative reading for everyone. Its well trained staff has enough motivation and acquired skill to meet the curiousity of the S.C. student body. And Fran Donaway, thier unique advisor, always seems to find that "push" needed to inspire her reporters for prompt typing and lay out.

So, if you're sitting in P.O.D. or trig and are bored to death, pick up an issue of The Jouster; it'll be an investment.

GRADUATION: STUDENT SUMMIT

We were born into a world so young and small,
trying to make our walk, but first we must crawl.
Looking out the window we watch big brother leave,
hoping one day we'll get what he's trying to achieve.
So we look at Seseame Street all day long,
counting with Big Bird cause we know he's never wrong.
We enhance our intelligence with all our know-how,
so we can make it through school without a doubt.
Remembering back to the first day we dreamed and smiled,
knowing that an even bigger day is only a short while.
We had to read different level books like, "Run Skip Run",
and recieved a star on our paper for the good work that was done.
We left elementary and moved to bigger and better things,
entering junior high school, dealing with a great change.
Having seven different teachers giving homework every night, You're only up to about 1:00a.m. enough to see the moonlight. We were able to chose more classes beside English and math, Guidance counselors were there to help us make the right path.
We made it to Central High and can say we came a long way, now we can look forward to the future and that special day. Two more years to go then we'll finally be finished and through, being able to walk the 'Big Green', we hope will come true. We start to count down the years and we make it to the top, Reminiscing over the past years we never decided to stop.
Graduation is the students summit, I'm sure all would agree, to be a senior in high school is what everyone would like to be.
We have to look beyond high school and go ahead about 10 years,
hoping that we will reach our goals and put away our fears.
First, we have to make it through school if only we don't quit,
our reward will be great, a Diploma, if we reach the Student Summit.

They're Back!

The SCHS Band is dazzling those crowds once again. We are back and standing tall. Under the direction of Mr. Crede, who has put much time and effort into making this band great, they have really gotten off to a marvelous start this year. Despite our small number, we have been on the fields at numerous football games, on the streets for parades and performing in front of our student body.

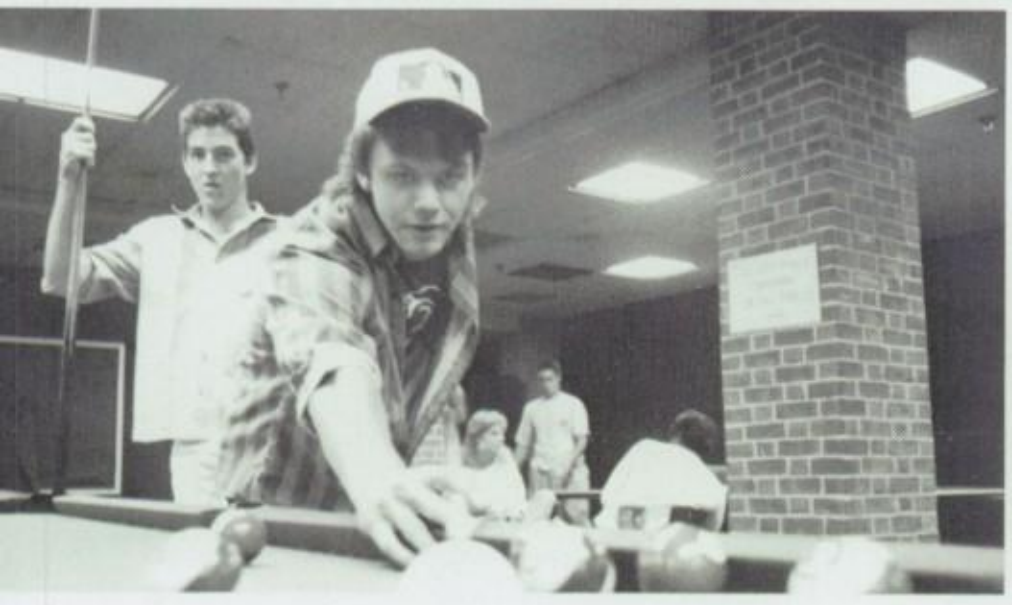
Everybody Will

Everybody knows that the 87-88 school year was a great year for sports, academics, and lasting friendships. For some of us it is the end of a life that has been built over the past 3 years and a start of a new life that will begin after graduation. The juniors roamed about pushing around the sophomores, while at the same time tried not to get stepped on by the seniors. The sophomores took the brunt of the abuse by both upperclases. They had to get used to being the " babies " and finding thier classes, but most of all they just wanted to be apart of it all. Well, better luck next year!

Always Know



1988
I was young, reckless, and in love. And then I was DEAD. young, reckless, and in love.
I WAS A TEENAGE ZOMBIE
